April 12	AGAT Science and Technology Talks 2019	Grande Prairie, AB
April 14-16	CWRA Conference: Alberta's Water Resources in a Changing World	Red Deer, AB

Let's talk about science and land management!

SALMTEC wants to know! Please [share your input in a 5-min survey](#).

[Register now](#) for SALMTEC's Wetland Policy Basics course!

This short online course was designed for anyone interested in Alberta's wetlands, and will teach:

- what a wetland is and how it is classified
- tips and direction on how to identify wetlands
- a basic understanding of the regulatory requirements for activities in a wetland
- an understanding of the Wetland Policy and how it is implemented in Alberta

Course Format:

- This course consists of four 15-minute online modules with activities and quizzes to test your knowledge
- Course will be available for six months from registration.
